

duisport unterstützt Common Purpose

Out of the lecture halls

Duisburg, 14 June 2018 - University students in the Ruhr metropolis can now apply for the four-day Frontrunner leadership program. This is the first time that the open program of the non-profit Common Purpose company will take place in the Ruhr region from 2 - 5 July 2018.

Frontrunner provides approximately 40 post-secondary students in all courses of study at universities and technical colleges, who are completing the second half of their Bachelor or Master studies, with an opportunity to talk with executives from industry, the public and non-profit sector, to reflect on their life and career planning and to expand their networks.

duisport supports this program: "Frontrunner grounds the university students, enables them to look beyond the limits of the Ruhr metropolis and provides insights into different industries and courses of study," says Markus Bangen, member of duisport's Executive Board.

Participants only need to pay a processing fee of EUR 30.00. For more information, contact 0201 4375 3610, katja.fischer@commonpurpose.de. Until 22 June, applications can also be submitted through the website: www.commonpurpose.de.
