

**duisport welcomes 22 new apprentices**

## **The port expands its training program**

**Duisburg, 1. August 2019** - Duisburger Hafen AG (duisport) has invited its 22 new apprentices to a two-day “Welcome Days” event in the Duisburg Nord landscape park. This event gave apprentices an opportunity to meet older apprentices and managers from the duisport companies. This year, the “Welcome Days” replace the former orientation days for apprentices by ensuring communication across locations and hierarchies to facilitate the apprentices’ entry into the organization.

This year, duisport is training the largest group of apprentices in the company's history. duisport Chief Executive Officer Erich Staake, who welcomed the apprentices, notes that the Port of Duisburg has been certified as an “Excellent Training Facility” for the past three years. Staake: “duisport is an attractive training facility and an employer with a positive future outlook.”
