

Personnel announcement:

BOHNEN LOGISTIK GmbH & Co. KG: REINER BOHNEN LOGISTIK GmbH:

- **Andreas Niklasch joins the Management Board of the Bohnen Logistik group**
- **Julian Schneider moves up to the Management Board**

Duisburg, August 9, 2021

Andreas Niklasch (53) has been the new Managing Director of Bohnen Logistik GmbH & Co. KG and Reiner Bohnen Logistik GmbH, both subsidiaries of Duisburger Hafen AG (duisport), since August 1, 2021. With this move, the business graduate joins Jürgen Bohnen, Volker Grzybowski and Julian Schneider in the Management Board. Previously, Mr. Niklasch held a number of management positions in the logistics sector (including Sales & Marketing and eCommerce) for more than 25 years. Most recently, he was responsible for the realignment and implementation of the sales strategy at GEODIS.

Schneider joins the Management Board of the Bohnen Logistik group

Julian Schneider was appointed to the Management Board of Bohnen Logistik GmbH & Co. KG and Reiner Bohnen Logistik GmbH in the role of Managing Director (deputy) and Head of Sales & Customer Services on 1 June, 2021.

The 31-year old business graduate (M.A. Management Logistics) joined the company in October 2016; most recently, he was responsible for Sales and Customer Services. Previously, Mr.

MORE THAN A PORT.

Duisburger Hafen AG owns and manages the Port of Duisburg, the world's largest inland port. For this port and logistics location, the duisport Group offers full-service packages in the area of infra- and suprastructure, including relocation management. In addition, the subsidiaries also provide logistics services, such as the development and optimization of transport and logistics chains, rail freight services, building management, contract and packing logistics.

Schneider worked for over 7 years at Deutsche Post DHL, where, in addition to operational management functions, he also supported large national and international customers in his capacity as Key Account Manager in the DHL Supply Chain contract logistics division.

About Bohnen Logistik: Transport, Warehousing, IT and consultation – sustainable system solutions for our customers. With the acquisition of the logistics company Bohnen Logistik, the duisport Group was able to add a tradition-rich company to its portfolio and expand its range of services to include contract logistics. Using the combined expertise in Transport, Warehousing, IT and Consulting, Bohnen Logistik offers national and international full-service solutions for contract logistics from one source. With its 200 employees, Bohnen Logistik generates annual sales revenues of approximately 34 million euros.
